Dear Attorney Davis:

Kindly be advised that this office represents Richard K. Bradley, the former husband of your client Debra Bradley. The parties were divorced in 2009. At the time of their divorce Debra agreed to pay to Richard "15% of workman comp claim filed as of Sept. 2nd, 2009." A lien was placed with the Workers' Compensation Board. (See Attached)

It is our understanding that there has been a lump sum settlement in this matter.

Please let me know at your earliest opportunity when my client might expect his payment.

Thank you for your attention to this request. If you have any questions regarding any of the above, do not hesitate to contact me.

Very truly yours,

Frederick A. Busconi
